Jenna,

Re: Reserved matters relating to Cubitt Park and Cubitt Square

- TfL is satisfied that the above proposals would not result in an unacceptable impact on the operation of the Transport for London Road Network (TLRN).
- The submitted documentation makes reference to wayfinding, and advises that street signage for the area has not yet been detailed. TfL would recommend that this takes the form of Legible London signage, in order to be consistent with what's in place elsewhere in Camden, and across London more generally.

Regards,
Rachel
