Application ref: 2014/2597/P
Associated ref(s): 2014/2759/L
Date of consultation: 17 April 2014

Proposal: Widening of vehicular gate and erection of brick pier, with associated works to paving on front elevation.

Comments:

OBJECT

NO

COMMENT

OBJECTION

(Please tick as appropriate)

It appears that the intended works are not fully described. We object to reduction of planting and the increase of hard landscaping to the front garden.

However we have more objection to the enlarged gate and pier, and the principle of a sliding gate which requires loss of green shrubs to the front.

Name (block capitals only
