Dear Sir

LBC 2013/5328/L

The Holly Bush PH, Holly Mount, NW3 6SG

Discharge of LBC condition no. 3

I have today submitted the above through the Planning Portal under reference PP-03364754. No planning fee is required.

The condition requires submission of full details of the recording of the wall to be removed at first floor level. The original application included photographs and commentary on the wall, as existing, prior to commencement of works. The attached photographs therefore show the wall and raised floor during the removal process so that the construction and various elements can be more clearly seen than was the case prior to commencement of works.

I trust you can agree that this submission discharges the condition.

Please contact me with any queries.

Yours faithfully

Stephen Brooker Dip T&CP MRTPI
