Dear Tania

RE: INQUIRY FOR APPEAL REF: 2013/3487/P + 2013/3754/C

Thank you for your notification of the appeal taking place on 13 May 2014 in relation to 142-150 Arlington Road. As we rent office premises at the rear of the 2nd Floor of 125-133 Camden High Street we are very likely to be affected by any building work carried out and so have an interest in any decisions made at the appeal.

We did not have any opportunity prior to your letter dated 18 March 2014 in which to pass on our comments about the proposed work, and I understand now is too late to do so.

I cannot attend the appeal in person to give our comments but would like to request a copy of the decision to be provided to us in writing once the appeal is concluded.

I would appreciate it if you could please forward any information you're happy to supply regarding this case so I can inform our managing directors accordingly and make any arrangements necessary to prevent these works from affecting our daily operations.
