

Dear Sir or Madam:

I am writing to you to make objections to these plannings:

Erection of 4 storey and basement residential building to provide 9 units (1 x 2, 3 x 3, 5 x 4 beds) following demolition of petrol station.

Erection of 3 storey mixed use building to provide retail (Class A1) at ground floor and 9 residential units (5 x 2, 4 x 3 beds) at first and second floor, following demolition of petrol station.

[REF: 2014/1945/P](#) and [2014/1692/P](#)

I live adjacent to the proposed development site and ask that Camden Council refuse this application

Herein are my objections relating to those planning:

1. The proposed building will overlook our property
2. I will lose daylight
3. I will lose privacy
4. The building will be visually overbearing
5. It is inappropriate design for the area
6. Additional concentration of traffic and roadside parking will cause traffic problems and create a safety hazard for other motorists

Should you require any additional information, clarification of any objections made contact me.

Kind regards,

Mehmet Nebija
