Dear Ms Marriott-Brittan

The following residents were unable to log comments as this section of the site was not operational yesterday and the consultation period expires today.

1. Iain Reid (Chairperson of the QRA), 45 Quickswood, NW3 3SA. [REDACTED]

Iain wished to confirm his support for the application in a personal capacity.

2. Elaine Goodman (Secretary of the QRA), 62 King Henry's Road, NW3 3RR. [REDACTED]

Elaine wanted to report that the AGM was held last Monday and no objection was raised at this meeting regarding this application.

Elaine noted that the doors in question followed the style of both 12 and 14 Quickswood and that you had consulted with both owners.

Elaine noted that all but two, 2 storey houses had doors onto balconies or terraces. The two that did not had built over the entire terrace.

Elaine wished to confirm her support for the application in a personal capacity.

3. Lauren Kilgour, 6 Quickswood, NW3 3SJ, [REDACTED]

Lauren owns the house on the opposite side of the communal lawns. Her extension runs parallel with number 10.

Lauren was to confirm that the view from her home had greatly improved and had no objection to the doors.

Lauren wished to confirm her support regarding this application.

All three named above were happy to provide contact details, if required by you.

Regards

Richard Dessar
