Your comments on the planning application

I strongly object to planning permission being granted to this development . The owners have behaved in a fraudulent and derisory manner to the local council and the people of Camden.

There was an agreement to restore the building of Athlone House when permission was granted some years ago to allow some development. This agreement has been ignored.

Not only should this application be refused, but the owners be required to fulfill the original contract immediately or face criminal prosecution, and pay a very large fine for improper business practice. Alternatively, ownership of the property should be taken

back due to non-fulfillment of contract without a penny compensation. Any lesser action indicates that Camden Council and its Planning Dept. is a 'walk-over', and can be completely ignored by any property developer committed to large profits for themselves and nothing else.
