**Subject:** Athlone House

Dear Sir,

I respectfully petition that permission is not granted for the demolition of Athlone House.

Apart from the historical value of such a property, I believe the approval of such a scheme at this point sends a strong message to future would be developers that councils ultimately have no powers. That rules and agreements stand for nothing.

I feel this would be a slippery slope, please take care.

Wishing you all the best for 2014

Regards,

Yvonne Wright (Sneinton, Nottingham)
