Comments on a current Planning Application - Ref. 9182441

Planning Application Details

For anyone who might live in these flats, they will be right next to the train line, the trains already create some crazy rattling in houses that are much further away, so I can only imagine how bad it will be living right next to them.

Overall this is a bad idea, trying to cram more flats and more people into London, probably out of pure greed.
Very strongly opposed.

Love,
Eva Koudela
