Dear David,

**Re: Planning application consultation letter dated 04/02/2014, your ref: 2013/8275/P**

I was passed on your details, from your colleague, Tanya. I am writing as a resident of 22A Winchester Road in reference to the above. I am very concerned that despite only receiving the application only last week, the contractors have already built the flank wall of the proposed extension, please find attached images of the offending extension.

This is clearly a flagrant disregard of the planning regulations and a complete lack of respect of existing neighbours. I would ask you put an enforcement notice stop to any further works on site immediately, including the removal of the built elements not yet approved by the Council. Furthermore the Planning Investigation Officer should be notified.

I look forward to your quick response in the matter.

Kind regards

Mr Wai Lun Ho
