The proposed scheme is well thought through and would co-exist well with our building 1 P.O.W. Access arrangements are clear and workable.

The elevations suggest that the proposed scheme would be rather obtrusive & NOT sit well with 1 P.O.W Road and would dominate the corner with Kentish Town Road. Moreover the on-line Camden record does NOT include a ground floor plan. Any cinema would be a high risk commercially: impact of alternative uses need to be taken into account.
