Planning application address..... Acol Bridge Club, 86 West End Lane, West Hampstead, NW6 2LX .....

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

• I neither support nor object, but would like to represent  
for your consideration.  
This is in relation to the proposed works to the "Acol  
Bridge Club" on West End Lane.

• Members of the Club already very often block  
our driveway to nos 84 West End Lane, (directly  
next door to the Acol Bridge Club). This has been  
an issue for many years.

• What can you do to ensure this does not <sup>get</sup> ~~continue~~  
worse by the proposed extension works to the Club  
which will result in even more members joining  
the Club?

• Is it possible to drop the curb outside of our property  
"towards the Club" by <sup>extend "</sup> 1 metre so that drivers are  
~~discouraged~~ prevented from blocking our drive? Please  
consider how it may be possible to help and improve the current situation

Please continue on extra sheets if you wish

which often causes difficulty to my wife, children and myself.

Yours Sincerely MIHIR SHAH
