Name..... MR THOMAS HARRIS

Address..... 8 DAKESHOTT AVENUE, HIGHGATE, LONDON, N6 6NJ

Planning application number..... 2013/6867/P

Planning application address..... 17 DAKESHOTT AVENUE, N6 6EL

I support the application (please state reasons below)
I object to the application (please state reasons below)

Your comments

Whatever the merits of the application, it is quite wrong for a resident to add a side dormer window in breach of the original planning approval. To grant retrospective permission to work done without prior planning permission is to reward a clear breach of the planning system.

The only solution is to insist that the house is restored to the situation for which the original permission was granted ie only one dormer window
