Dear Ms Litherland

**Town & Country Planning Act 1990 (as amended); Greater London Authority Acts 1999 and 2007; Town & Country Planning (Mayor of London) Order 2008  
187-199 West End Lane, West Hampstead, London NW6 2LJ**

I refer to your letter of 3 January 2014, consulting the Mayor of London on the above planning applications of potential strategic importance.

I have assessed the details of the current application and have concluded that the proposals for variations to condition 11 and 13 of planning permission 2011/6129/P do not raise any new strategic planning issues, as it is only proposing limited changes.

Therefore, under article 5(2) of the above Order, the Mayor of London does not need to be consulted further on these applications. Your Council may, therefore, proceed to determine the applications without further reference to the GLA. I will be grateful, however, if you would send me a copy of any decision notices and section 106 agreements.

Yours faithfully,

**Stewart Murray**
