

51 Maresfield Gardens
Hampstead

12th January 2015

Jenna Litherland

Reference Planning application No: 2013/7987/P

Dear Madam

Our objections to this proposal are as follows:

- 1) The proposed building will replace one of 4 similar houses and will be completely foreign to its fellows.
- 2) The proposed basement excavation may alter water and drainage levels
- 3) Building and lorry traffic will lead to much mess and rubble as well as traffic congestion in this area in which there are so many schools.

Yours truly
