### Your comments

The reasons given in your letter of 28<sup>th</sup> March/11 for refusal of Planning Application 2010/0836/P and Associated Ref: 2010/3751/P with regard to the above property, were very valid and I thought conclusive. Nothing has changed and the prospect of what is involved is causing a great deal of stress and worry to many residents in their 80's and 90's who came here to live out their remaining years in peace and tranquility.
