Dear Mr Whittingham

I write in connection with the above planning application regarding a proposed development at 5 & 6 Cliff Villas, NW1 9AL.

I am the owner of Flats 2 & 7, 139 York Way, London, N7 and I object to the proposed development in the strongest terms.

I would like to underline that the proposed six story development (which replaces a three storey structure) would have a drastic effect on the sunlight, privacy and view of the properties at 139 York Way.

The impact of the loss of sun/daylight, privacy and views will have a substantial negative impact on the value of the above flats.

I would like to request that the planning application should be refused for the above mentioned reasons.

Please do not hesitate to contact me if you would like to discuss this further or if you require any further information.
