Charles Thucire
Case Officer Camden Council

Dear Sir
Re Athlone House

As a regular user of and
visitor, to Hampstead Heath
I am shocked and horrified
to learn that historic Athlone
House is under threat of
being demolished and
replaced.

No way should this be
allowed. Permission for
the new flats built in the

→

grounds was granted on
condition that Athlone
was restored.

If Athlone is not
restored the flats have no
right to be there.

I urge Camden Council
not to be coerced or
misled by these developers.

Save Athlone / Preserve!
