2014/5262/P	Meredith Whitten	Covent Garden Community Association 42 Earlham Street WC2H 9LA	15/09/2014 00:01:48	COMMNT	<p>The CGCA has no objection provided the following concerns are addressed via condition:</p> <ul style="list-style-type: none"> • The extract duct should not be placed adjacent to any openable windows, particularly residential windows. The noise report does not mention where the nearest noise-sensitive window is. From the drawings, it appears that the duct is near a residential window. • Vibration levels are below the levels outlined in DP28. • The extract duct should not be in use between the hours of 23:00 and 07:00 (DP28).
2014/5262/P	John Dunlop	2 Neal's Yard London WC2H 9DP	25/09/2014 15:44:49	INT	<p>Concerned that the fumes from the duct will be blown into the opening skylight of No2.</p> <p>Consider moving the duct well away from the skylights of No2.</p> <p>Move chimney duct well away from these skylights or raise the height of the chimney.</p>
