2014/5349/P	Don Hibbs	46 Willes Road Kentish Town London NW5 3DL	15/09/2014 14:08:29	COMMNT	I object to this application as it does not specify safety rails on the Inkerman Garden side of the steps from the exit to the footpath at Spring Place. Rails are only provided on the street side. Without rails, access will be made only too easy to walk on and across the garden, trampling the plants carefully maintained by the Inkerman Area Residents Association volunteers. I also expect that strict and enforceable assurances must be given by Westminster Kingsway to remove the “temporary” steps on the 12-month anniversary of their installation.
