2014/5378/P	Francoise Findlay	Elsworthy Residents Association	24/09/2014 22:43:10	OBJEMAIL	The introduction of a bay window, pitched roof and enlarged ground floor window and pitched roof are objectionable. Better to replicate the first floor window at 53 and match the ground floor window to it without the addition of either pitched roof. Include a hedge in the front boundary treatment.
