2014/5566/P	Meredith Whitten	Covent Garden Community Association 42 Earlham Street WC2H 9LA	15/09/2014 00:03:34	NOBJ	No objection, provided a condition is included that specifies that any construction must comply with all requirement (including hours and noise) as set out by Camden. The CGCA notes that the applicant has gone to great lengths to accommodate local concerns in these revised proposals.
2014/5566/P	Katherine Darton	1c King Edward Mansions Grape Street	30/09/2014 21:38:31	OBJ	I consider that this property is not suitable for residential development because it is immediately opposite King Edward Mansions and Grape Street is very narrow - too narrow to have two residential buildings immediately opposite each other. There will be problems of overlooking, privacy, and noise. At present Grape Street is carefully designed with commercial property opposite residential and I consider that it should stay that way.
