2014/5840/P	Alexander Brownlee	95 Maitland Park Road	30/09/2014 12:07:55	COMMNT	While I am happy with the development in principle, I think that the proposed buildings could be designed to be more congruous with the existing architecture - sloping rather than flat roofs would help a lot to blend the new development in with the older blocks along Maitland Park Road and Maitland Park Villas.
