2014/5898/P	De Watteville	15C Glenilla road	30/09/2014 09:28:01	COMMNT	Living next to the number 13 with two small children, i am AGAINST this project. The noise will be highly disturbing and will oblige me to terminate my tenancy contract. Note that there are already in Glenilla road similar ongoing works which are hugely disturbing with: noise, difficult access for pedestrians and cars. And these works have started more than 9 months ago and seem to be far from ending! Best regards, Helene de Watteville
