2014/4206/P	Alan Wilding	10 Rosslyn Court Ornan Road London NW3 4PU	29/08/2014 14:21:32	OBJ	<p>Dear Camden Planning Applications</p> <p>I wish to register my objection to this application.</p> <p>As a 40-year resident of Rosslyn Court (the adjacent sister building in Ornan Road), I consider that:</p> <p>there is a serious risk of structural damage being caused to the adjoining Rosslyn Court</p> <p>we have over the years had several instances of subsidence, due in part at least, to the main-line railway tunnel that passes beneath the buildings. The risk is that this will be exacerbated.</p> <p>the harmonious appearance of these two adjoining Victorian buildings will be compromised</p> <p>as this is major structural work, there will be serious impact on local traffic and parking facilities</p> <p>Thank you for considering these matters.</p> <p>Alan Wilding</p>
