Your comments on the planning application: As immediate neighbour to the applicant, co-chair of Hornby Close Residents Association and a member of the Chalcots Architects Forum I can confirm that I have been consulted about the proposed extension prior to the formal application having been made and fully support the application. The proposal is identical to the recently completed extension to 3 Hornby Close, which has been designed and implemented to a very high standard. I have asked the applicant to commit that no building work will be undertaken on Saturdays to avoid disturbance to our young family and those of our other neighbours. The applicant has agreed that this will be the case and we are content that this can be secured by private agreement rather than planning condition.
