Your comments

I object to the demolition of Athlone House on principle. Planning permission was originally given to develop the site on the express understanding that Athlone House itself would be preserved. To allow the developer now to ride roughshod over that undertaking makes a mockery of the whole process of granting planning permissions.

Your comments

The Demolition of Athlone House is
counted to the original funding

Your comments

This planning application is quite out of keeping with the immediate surroundings and will involve the demolition of a much valued landmark on the edge of Hampstead Heath. It should be rejected.
