Dear Sir

6 Erskine Road, London NW3 2013/6326/P
Section 73 – Minor Material Amendment Variation of Condition 2
Porters Lodge – Substation Access Door

Following minor material amendments to the above scheme we submit the S73 Minor Material Amendment for variation to condition 2 of the original permission for 6 Erskine Road 2013/6326/P.

A street communications cabinet is blocking the consented electrical substation access door. The applicant wishes to swap the small window and door on the street facade of the Porters Lodge to avoid the cabinet. A proposed elevation & plan have been submitted online (reference above) with amendments highlighted in red. The previously consented drawings have also been provided. A cheque for £195 made payable to London Borough of Camden accompanies this letter to cover the planning fee.

We trust the enclosed information will enable you to validate the application and proceed with your consideration. If you have any questions please don't hesitate to call us on 020 7424 4800.

We look forward to hearing from you in due course.

Yours faithfully
