One Bedford Avenue Redevelopment – Impact Piling

We are appointed as the Structural Engineer for the above development and are writing in relation to Planning Condition 13 of the approval granted by Camden Council on 20th of December 2013.

We can confirm that the structural scheme for the site is for a ground bearing raft and does not require the use of impact piling.

Please do not hesitate to contact the undersigned if you require further information to discharge this condition.

Yours sincerely,
