Subject: 2013/7242/p athlone house

Dear Mr Thuaire

Having been part of the original team from Highgate Society who successfully countered the first inspectorate appeal I feel very strongly that the section 106 commitment should be adhered to.

AthlOne House is a beautiful and graceful house which sits well within the confines of the metropolitan area and Heath. It goes against all principles of planning that people who wish to make a profit say that this building which has been allowed to deteriorate over many years is not restorable.

Please do not let another monstrosity be built in a lovely oasis of calm

Thank you
