dear sirs

planning app 2013/7585/P

I wish this to be approved subject to the unused part of the site being given to the London wild life trust,plus

an endowment to cover the cost of maintaining the site in perpetuity, the land is to be placed in a trust and the local residential association should be represented on the board. The site should not be open to the public, but occasional supervised visit for schools and other interested parties would be allowed. the site would be closed down after 5pm week days and all weekends.

your
