

This email is to raise objection to the action 2013/6326/P that will turn the building currently hosting Tri Yoga club into a high end housing development - specifically I'd like to raise the following points:

1. Leeder House and the other units (including triyoga) are suitable for continued business use and should be protected as such as indicated by policy DP13;
 2. The site is within the Primrose Hill Conservation Area. The change of use and the proposed physical alterations are out of keeping with the character and appearance of the Conservation Area.
 3. A comprehensive approach should be taken to the development of all land/buildings at 6 Erskine Road including **triyoga** so that the impacts can be fully understood and assessed e.g. employment lost aside from what we believe will be the **huge negative impact on the High Street and its daily trade, as well as hundreds of livelihoods for employees of the centre.**
