

Dear camden council,

I would like to express my objection to the proposed redevelopment of the primose hill village and my relevant points considered for this decision are as follows:

1. Leeder house and the other units are suitable for continued business use and should be protected as such as indicated by policy DP13.
2. The site is within the Primose hill conservation area. the change of use and the proposed physical alterations are out of keeping with the character and appearance of the Conservation Area.
3. Loss of employment (direct and indirect) due to reduced foot traffic will impact local business.
4. A comprehensive approach should be taken to the development of all land/ buildings at 6 Erskine road, including triyoga so that impacts can be fully understood and assessed.

I would be very grateful if you please take these points mentioned above into consideration before making any decision with regards to the future of the area that we "the community" love and enjoy.

Warm regards,

Sent from my iPhone

To Whom It May Concern:

I am a long time Primrose Hill resident and I am writing to you today to express my full support for triyoga. I am greatly saddened to hear that this wonderful institution in the heart of Primrose Hill is under threat. That this should happen when triyoga is located within the Primrose Hill Conservation Area is rather disconcerting. The change of use and the proposed physical alterations are out of keeping with the character and appearance of the Conservation Area.

The loss of triyoga will have a major impact on the character of Primrose Hill and not only that, but it will lead to a direct loss of employment and indirect loss of foot traffic which will undoubtedly impact local businesses.

The Leeder House and the other units are suitable for continued business use and should be protected as such as indicated by policy DP13.

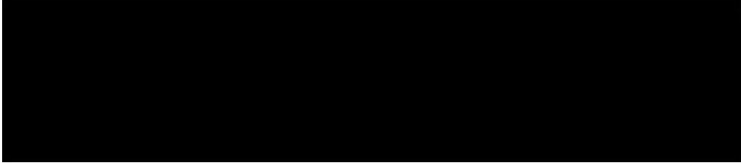

A comprehensive approach should be taken to the development of all land/buildings at 6 Erskine Road including triyoga, so that the impacts can be fully understood and assessed.

I sincerely hope that Camden will take these views into consideration.

Thank you for your time and attention.

Kind regards,

Camden council should reconsider the closure of Triyoga.

It is important to our community - n [redacted] t
is invaluable for old people as a place to keep fit and to meet other old people.

Leeder House should be protected as indicated by policy DP13.

The site is within the Primrose Hill Conservation Area. The change of use and the proposed physical alterations are out of keeping with the character and appearance of the conservation area.

A comprehensive approach should be taken to the development of all land/buildings at 6 Erskine Road including triyoga so that the impacts can be fully understood and assessed - eg employment lost. People in the high street who rely on daily trade that Triyoga brings will suffer.

I look forward to hearing from you.

Yours faithfully,
