Dear Sir/Madam,

In response to the proposed redevelopment plans for Leeder House and 6 Erskine Road, I would like to voice my objection, specifically in relation to triyoga.

The triyoga centre in Primrose Hill is invaluable to the local communities. To close or relocate triyoga from this location would have a damaging effect. A large number of individuals would suffer due to the direct loss of employment. The reduced foot traffic will impact the local business. As the site is within the Primrose Hill Conservation Area. I believe the proposed change of use and alterations are out of keeping with the character and appearance of the Conservation Area. This is not only a place for health and well-being but a place for the community to come together, it provides an important service that should be protected.

I urge you to rethink the proposed redevelopment plans.

Thank you for your time.

Yours faithfully,
