Dear Sirs,

I am writing regarding the planning development of Leeder House plus 6 Erskine Road. Below you will find four paragraphs of my concern and strong objections to these expansions as they will severely impact the local communities of residents and businesses.

1. Leeder House and the other units are suitable for continued business use and should be protected as such as indicated by policy DP13.
2. The site is within the Primrose Hill Conservation Area. The change of use and the proposed physical alterations are out of keeping with the character and appearance of the Conservation Area.
3. Loss of employment both direct and indirect from reduced foot traffic, which will impact local businesses.
4. A comprehensive approach should be taken to the development of all land/buildings at 6 Erskine Road including triyoga, so that the impacts can be fully understood and assessed.

I am looking forward to hearing from you on this matter.

Kind regards,
