Hi,  
I would like to object to the above planning permission regarding 6 Erskine Road, Primrose Hill.  
For the past 7 years I have attended the above premises for both therapeutic and exercise benefits and think it would be a great shame if this centre of the community not only for Primrose hill, also for the surrounding area were to be destroyed. I know these are not sufficient grounds for a valid objection, so I also object to the planning permission on the following grounds:

1. Leeder House and the other units are suitable for continued business use and should be protected as such as indicated by policy DP13.
2. The site is within the Primrose Hill Conservation Area. The change of use and the proposed physical alterations are out of keeping with the character and appearance of the Conservation Area.
3. Loss of employment (direct and indirect) due to reduced foot traffic will impact local businesses..
4. A comprehensive approach should be taken to the development of all land/buildings at [6 Erskine Road](#), including triyoga so that the impacts can be fully understood and assessed.

I hope that this objection will be given suitable consideration.

Regards
