As a regular visitor to I would like to add my objections to the proposed development changes to Leeder House and 6 Erskine Road.

The grounds as follows:

- 1) Leeder House and the other units are suitable for continued business use and should be protected as such as indicated in policy DP13
- 2) The site is within the Primrose Hill Conservation Area. The change of use and the proposed physical alterations are out of keeping with the character and appearance of the Conservation Area.
- 3) Loss of employment both direct and indirect from reduced foot traffic, which will impact on local businesses.

I would be grateful if you would keep me informed with reference to these proposed changes.

Yours sincerely
