Dear Mr Heather,

**The Royal College of Ophthalmologists – 18 Stephenson Way
Application for approval of details reserved by Condition 5 (Noise Levels at 1 metre external to sensitive facades) and Condition 6 (Plant Equipment) to Planning Consent
Application Ref 2013/0666P**

On behalf of our client, the Royal College of Ophthalmologists (RCOphth), herewith referred to as 'the Applicant', we are pleased to submit an application in accordance with the requirements of policies LA90 and CSS of the London Borough of Camden Local Development Framework Core Strategy and policies DP26 and DP28 of the London Borough of Camden Local Development Framework Development Policies.

The submission attached provides required information to planning condition 5 & 6 of application ref 2013/0666P. Prior to commencement of the relevant part of the development we are pleased to submit the following details of the buildings proposed plant/equipment

The following documentation attached includes full specifications with noise levels taken account for a drawing by the buildings Mechanical Services Scotch and Partners helps to illustrate the conditions on top of the roof within the sunken plant room enclosures. The equipment has been specified to meet the buildings building regulations part L requirements at maximum occupancy.

A Cheque has been made out to London Borough of Camden on behalf of the building's client's main contractor. We hope that you have all the information you need to validate the application. Should you have any queries or require any further information, then please do not hesitate to contact me on 020 7520 3300.

Yours sincerely

Declan Douglas
