Dear Sir, Madam,

Regarding the application 2013/6326/P, I would like to register an objection as this site is in a conservation area. The proposed change of use and physical alterations are not in alignment with the existing character of this area and I therefore very much object to the proposed changes.

Furthermore, I believe that a comprehensive approach should be taken to the development of all land and buildings at 6 Erskine House so that the impacts can be fully understood and assessed. In particular, I have enjoyed patronising Tri-yoga, one of the businesses that the proposed change would affect, for several years and would very much like to see the business be able to continue and flourish, not least as this will safeguard the employment of the people working there.

Thanks for your consideration.

Kind regards,
Sonya Whaley
