

Planning application number... 2013/6589/P

Planning application address... Utopia Village, 7 Chalcot rd NW1 8LF

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

My concerns over this application concern the additional traffic it will generate on Chalcot rd & surrounding streets, in a densely populated area with a school at the end of Chalcot rd.

Emergency access to Utopia Village is limited by very narrow access, would a fire engine get in with non parked cars
Bats are believed to live in the buildings, we certainly see them frequently in the summer around the tall chimney

Please continue on extra sheets if you wish
