

Planning application address 6 Erskine Road London NW3 3AJ

- I support the application (please state reasons below)
- I object to the application (please state reasons below)

Your comments

This site is in the centre of The Primrose Hill Conservation Area and the change of use and proposed alterations are out of character with the conservation area.

The loss of Triyoga will adversely affect the shops and traders in Regent Park Road as a lot of their business comes from people using the Centre.

The centre has brought a lot of prosperity to Regent Park Road.

Please continue on extra sheets if you wish

re planning application 2013/6326/p Erskine town

Dear Sir/madam

I would like to object to the above planning application with regard to Tringage.

Primrose Hill is at present an area with a mixed residential & business character. Tringage brings many people to the area who use shops & local services, apart from the jobs at Tringage itself. If converted to more luxury apartments the Erskine road site would be a largely wasteland, no one to use local services.

Furthermore the site is within a conservation area, the proposals appear to ignore that fact & in addition it is a site suitable for business & should be protected under policy DP13.

I trust you will take these views into account & refuse the application.

Yours sincerely
