PLANNING APP 2013/4475/P – CONDITION 8

I write in regard to the recent planning application in respect of the proposed basement at the above address and specifically Condition 8.

I confirm that my firm, Michael Barclay Partnership LLP have been appointed by the Client as Structural Engineers for the project under the ACE Conditions of Engagement. I myself am a Chartered Structural Engineer and Professional Member of the Institution of Structural Engineers and have overall responsibility for the structural works at Witanhurst.

Our responsibilities in relation to the structural works associated with this planning application include:

Design, inspection, approval and monitoring of the critical elements all Permanent Works both above and below ground.

Development of monitoring strategy for incorporation into the works.

Design, inspection and review of Temporary Works in order to facilitate the scheme.

Regular monitoring of site works.

I trust that the above information is satisfactory.

Yours faithfully

Julian Birch BEng (Hons) MSc (Eng) CEng MStructE
