**TOWN & COUNTRY PLANNING ACT 1990 (AS AMENDED)  
NATIONAL PLANNING POLICY FRAMEWORK 2012**

**26 Redington Road London NW3 7RB**

*Erection of first floor rear extension and ground floor infill extension to north-east side, alterations to rear, front, north east and south west elevations, lowering existing basement level, excavation of front garden associated with new steps and new front basement windows and excavation of lower rear terrace to single dwellinghouse (Class C3).*

**Recommend No Archaeological Requirement**

Thank you for the consultation regarding the archaeological potential of this site in the context of the proposed development. Having considered the proposals it is concluded that although the site lies within an archaeological priority area there is no archaeological interest due to the fact that the groundworks are small-scale.

Please do not hesitate to contact me should you require any further information. This response relates solely to archaeological considerations.

Yours sincerely
