**This is the planning application that would turn not triyoga but the front of the business complex where triyoga is based into a tall apartment building.**

1. Leeder House and the other units (including triyoga) are suitable for continued business use and should be protected as such as indicated by policy DP13;
2. The site is within the Primrose Hill Conservation Area. The change of use and the proposed physical alterations are out of keeping with the character and appearance of the Conservation Area. (They also propose to raise the structure by another story which would ruin the light for most neighbours)
3. A comprehensive approach should be taken to the development of all land/buildings at 6 Erskine Road including **triyoga** so that the impacts can be fully understood and assessed e.g. employment lost aside from what we believe will be the **huge negative impact on the High Street and its daily trade, as well as hundreds of livelihoods for employees of the centre.**

**Please note my objection to this application.**
