Dear Sir or Madam,

With reference to Triyoga Erskine Road.

I wish to register my disapproval at the prospect of Triyoga closing.

I have used the facilities of Triyoga for many years. Triyoga is a centre of excellence for Yoga, Pilates and healing.

I live in South London and am a frequent visitor. But people travel from afar to Erskine Road. The international teachers attract students from all over London, England, Britain and Europe.

Triyoga in Erskine Road brings culture, interest and an increase in foot fall for the local shops and cafés. It enriches the area.

Please do not allow its redevelopment.
