I object to the proposed plan to remove Triyoga. Every member of my family & numerous friends locally or that live nearby use Triyoga regularly so there would be a huge void in the area should it no longer be in Primrose Hill. If it was to be taken from us then I feel that it would have a devastating affect not only on the employment of the people who work there but also on employment of local businesses, as many people come to the area to use Triyogas facilities, which in turn brings people to

use our local cafes & shops.

I believe the site is actually on a conservation area, the proposed physical alterations are not in keeping with the character of Primrose Hill. As far as I am aware the premises are still suitable for business use so why change that.

We as a community feel a proper comprehensive approach should be taken so that the implications are fully understood and assessed.

I definitely don't want to see the premises taken away from our community. It is a social hub for locals so to take that away from us would have a awful affect on the area.
