Dear Eimear Heavey/Camden Planning Officer

RE: RESPONSE TO PLANNING APPLICATION REF. 2013/6288/P  
80 GUILFORD STREET, WC1N 1DF

[REDACTED]

We are therefore in support of the [REDACTED] proposed work if we are allowed to build in a way that broadly mirrors their new shape too (ie our planning application three). We recognise it will involve some discussion with you to consider all the different ideas and issues, both those that coincide [REDACTED] to our property [REDACTED]

Our team aim to help transform these central London houses in Guilford Street to substantially sized flats for families, with greatly improved structure, and the reinstatement of period features, for long term ownership and use, and preservation.

[REDACTED]

Please don't hesitate to contact us for further information.

Yours sincerely,

[REDACTED]
