Subject: Hospital Club Bedroom Plans.

Dear Mr. Thuaire,

I recently visited The Hospital Club and viewed their plans for the proposed bedrooms that are intended to be incorporated within the existing Club. As I live in Shorts Gardens, in very close proximity to the club, I do not envisage any problems for local residents should their proposal be granted.

Although I have only lived in this area for just over a year I regularly pass the building in the evening time and it seems to be very well controlled with a doorman present whenever there is an event taking place.

I am all in favour of the enhancement of local, non "chain-like", businesses and fully support this planned development.

Yours sincerely,
