I object to the application
The community needs yoga
and the offices, to bring in
customers to the local shops
which are struggling. No way
do we need this to happen.

It would be a disaster for the community if Triyoga goes. I bought my flat in Primrose Hill to be close to Triyoga ~~and~~ as I considered it so important to my wellbeing to be able to do yoga ~~regularly~~ regularly. The centre is a meeting point for people from the local community & further afield and draws a lot of business to the area. The local shops & cafes are full of people carrying yoga mats at the weekends. I hope the Council will do everything it can to protect such a valuable institution that adds so much to the local community.
