Application ref: 2014/4654/P

Associated ref(s):

Date of consultation: 19 August 2014

Proposal: Re-landscaping and re-surfacing of the front driveway with permeable brick pavements/granite setts, widening of the driveway entrance, lowering of the roadside kerb (not affecting any parking permit bays) and erection of a wooden fence to the side of the property.

OBJECTION

COMMENT

(Please tick as appropriate)

We object to the scale of this proposal in relation to the house and garage frontage. This is a harmful proposal, which benefits the applicant in two car spaces, arguably unnecessary, taking up existing planted area and diminishing residents' on-street parking and landscaping negatively on the street scene. Contrary to DPs 17-19.
